October 2014 – March 2015

Systems Consultant • Source code Reviewer • BMM Testlabs

February 2021 – October 2022

Programador Junior • Frontline TSR - Big Data, Google Cloud Platform • Webhelp

October 2022 – At present

EDUCATION

Certificate of Higher Education in Multiplatform application development

IES Sabadell, Sabadell, Barcelona.

Computer Science degree, specialized in Computation

Autonomous University of Barcelona (UAB), Bellaterra, Cerdanyola del Vallès.

Master's Degree in Artificial Intelligence (Currently)

International Univeristy of La Rioja (UNIR), Logroño, La Rioja.

LANGUAGES

Catalan

Native language

Spanish

Native

English

Medium, I speak and write in English every day in my current job.

ACHIEVEMENTS

In my last job I had developed different automations for file management and folder navigation, as well as tools for digital signature extraction, file comparison and automatic report generation. These automations have allowed us to save time in tasks that we perform every day.
