Web developer • Internship • OpenLazarus

October 2014 – March 2015

Systems Consultant • Source code Reviewer • BMM Testlabs

February 2021 – October 2022

Junior Programmer • Frontline TSR - Big Data, Google Cloud Platform • Webhelp

October 2022 – December 2023

Intermediate Programmer • Software Developer • Autocristal Ralarsa (part of Cary Group)

December 2023 – At present

EDUCATION

Certificate of Higher Education in Multiplatform application development

IES Sabadell, Sabadell, Barcelona.

Computer Science degree, specialized in Computing.

Autonomous University of Barcelona (UAB), Bellaterra, Cerdanyola del Vallès.

Master's Degree in Artificial Intelligence

International University of La Rioja (UNIR), Logroño, La Rioja.

LANGUAGES

Catalan
Native

Spanish
Native

English
Medium. I use English daily in my role.

ACHIEVEMENTS

- I developed various automations for file management and folder navigation, along with tools for digital signature extraction, file comparison, and automatic report generation.
- I became an Associate Cloud Engineer (ACE) certified by Google Cloud.
- I've played a key role in the implementation of Ralarsa's inventory planning system.
